## JOB EXPERIENCE

### UPWORK

2020 -Present

#### FRELANCE WEB DEVELOPER & GRAPHICS DESIGNER

Developed and designed responsive websites for a diverse range of clients, including e-commerce businesses, blogs, and portfolio sites. Collaborated closely with clients to understand their vision, objectives, and requirements, ensuring a high level of customer satisfaction. Utilized a wide range of technologies and tools, including HTML, CSS, JavaScript, and content management systems (CMS) like WordPress, to create custom websites. Created visually striking graphics, including logos, banners, and promotional materials, using Adobe Creative Suite and other graphic design software. Optimized website performance and user experience through SEO techniques and responsive design practices. Managed and maintained websites, providing ongoing updates, security enhancements, and technical support.
